**DEWPOINT'S PRESIDENT INVITED TO SPEAK AT ANNUAL SUN ANALYST SUMMIT**

LANSING, Mich., February 15, 2007 — Dewpoint is excited to announce that Andy Kotarba, President of Dewpoint, was invited to speak at the annual Sun Microsystems™ Analyst Summit on Tuesday, February 6, 2007. Kotarba joined Don Grantham, Executive Vice President, Global Sales and Services, on stage during the keynote address: "Executing the Strategy."

Dewpoint has gained attention over the past year as it exemplified the channel strategy and engaged Sun Microsystems™ in the type of relationship Sun encourages with its partners. The attendance of Dewpoint at the Summit is a big event for Sun Microsystems™ as well - Dewpoint is the first channel partner ever to be invited to speak at the annual Sun Analyst Summit.

On Wednesday, Kotarba was on hand to discuss the honor, "This was an extraordinary opportunity for Dewpoint to share its success story with Sun Microsystems and industry analysts. Dewpoint's selection by Sun for this event is a true testament to what is at the core of Dewpoint –its people. It's been amazing to watch our team over the past couple of years, as the individuals have developed into their roles and really embraced the entrepreneurial spirit that makes Dewpoint so successful. I was truly honored to share Dewpoint's story with the folks at Sun and the analysts."

*About Dewpoint*

Dewpoint is a Sun Microsystems™ Partner Advantage™ Executive member and one of the largest independent information technology integrators in the Midwest. The company specializes in designing, implementing and supporting leading-edge server and storage, identity management and enterprise security solutions. With headquarters in Lansing, Michigan, Dewpoint maintains regional offices in Indianapolis, Indiana and Columbus, Ohio.
